SELECTING THE RIGHT EMAT ACCESS

SINGLE ACCESS. SPECIFIC INITIATIVES.

Single Access provides you with a complete snapshot of all companies and decision makers in EMAT. Designed to give you everything you need to carry out your own highly targeted segmented message marketing and demand generation campaign. Delivered in Excel format.

REAL TIME ACCESS. OUR MOST POPULAR OPTION.

Real Time provides you with cloud-based, 24/7 access guaranteeing complete confidence to those organizations who want constant communication with their customers and prospects. Designed for companies who are at the cutting edge of sales and marketing initiatives, this is the most complete and sophisticated source of sales intelligence in the region. Supports your drip-feed segmented messaging programs or strategic account planning sessions. Includes over 400 market ready reports which are fully downloadable into Excel.

UNLIMITED ACCESS. CONSTANT & SOPHISTICATED.

Unlimited provides you with cloud-based, 24/7 access to all the companies and decision makers in your selected region. All the benefits of Real Time including a dedicated EMAT administrator and 24/7 premium support by email or phone. Designed for companies that have limited resources and need an administrator on hand to provide Excel downloads or look up information for a travelling sales force.
